ABOUT EARLY MOUNTAIN

Early Mountain proudly produces celebrated, world-class wines in the foothills of Virginia's Blue Ridge Mountains. Founded in 2012 by Jean and Steve Case, Early Mountain was born from a vision to craft wines in Virginia that can stand side-by-side with the best in the world.

That vision comes to life through a steadfast commitment to keeping quality at the center of everything we do. We carefully tend the vines in our estate vineyards and take a restrained approach in the cellar to showcase the quality of our fruit and the character of each vintage. Our culinary program brings the same philosophy to the table, with seasonal, hyper-local dishes thoughtfully paired with our award-winning wines.

We invite you to join us and experience the depth, energy and beauty of Virginia.
